

2022-2023 RCSD Parent University Catalog

The RCSD is providing a variety of parent workshops. All sessions are entirely optional.

If you have any questions, please contact the workshop facilitators listed below.

 Date	 Time	 Workshop Title	 Description	 Facilitator(s)	Location(s)
October 17th	9:15 AM 7:00 PM	Google Classroom Fundamentals 	Google Classroom is a free application built into the Google Apps for Education suite. The main purpose of Google Classroom is to streamline the process and sharing of files between teachers and students. During this session, we will explore the layout of Google Classroom and where families can find announcements, assignments, and information needed to complete school assignments.	Kaitlyn Sassone Director of Technology Kimberly Persaud Instructional Technology Coach Grades K-5 Caroleann Del Giudice Instructional Technology Coach Grades 6-12	Middle School MPR
October 20th	9:30 AM 7:00 PM	Security and Safety in our Schools 	This session will help you gain an understanding of the district's security and safety procedures/practices. In addition, we will review simple, easy-to-follow tips to monitor your kids' online activity to keep them safe and secure online!	Kaitlyn Sassone Director of Technology John Hawkins Coordinator of Security, Safety and Emergency Preparedness	Rye Free Reading Room(AM) Middle School MPR(PM)
October 24th	9:15 AM 7:00 PM	NWEA Parent Reports: Understanding your Child's Growth 	This session will help you gain an understanding of how your child's NWEA results reflect their achievement and growth in reading and in mathematics.	Tricia Murray Assistant Superintendent for Curriculum, Instruction and Assessment	Middle School MPR

November 7th	9:15 AM 7:00 PM	<p>A Parent's Guide to ClassLink K-5</p> 	<p>Explore ClassLink, our elementary sign-on platform which serves as a gateway to all student applications in one place.</p>	<p>Kaitlyn Sassone Director of Technology</p> <p>Kimberly Persaud Instructional Technology Coach Grades K-5</p>	Middle School MPR
January 25th	9:15 AM 7:00 PM	<p>Cracking the Reading Code: Supporting Readers with Decoding and Fluency Across Grades K-5</p> 	<p>Decoding, or translating printed words into speech, is a crucial skill that most readers develop between Kindergarten and Second Grade through explicit phonics instruction. In this session, we will share what students are learning in school, as well as tips you can use at home to help your readers "crack the code" to reading, whether they're in K-2 or the upper elementary grades.</p>	<p>Melissa Ross Literacy Coach Grades K-2</p> <p>Tara Bauer Literacy Coach Grades 3-5</p>	Middle School MPR
March 8th	9:15 AM 7:00 PM	<p>Games to Support Math Fact Fluency K-3</p> 	<p>Most educators agree that success at higher levels of math hinges on the fundamental skill of mastering facts. What does research say about teaching basic math facts so they will stick? We will play simple games that provide engaging fact practice and you will walk away with games to use at home.</p>	<p>Kerri Winderman Math Coach Grades K-5</p>	Middle School MPR
