

The Board of Education of the Rye City School District understands that a world class education requires hard work and dedication from everyone in the community. We take our responsibility of overseeing the education of our children very seriously. We are genuinely grateful to the faculty, staff, administration, families, and community for all of the hard work and support provided every day to educate our children.

Therefore, the Board of Education has developed **The Rye Commitment** - assurances to students, faculty, staff, administration, and the community that we will support the important work of our schools.

TO STUDENTS:

We will provide the necessary support for you to receive an education that helps you become responsible, caring citizens who can think critically, communicate effectively, collaborate, and creatively solve problems.

TO FACULTY, STAFF, AND ADMINISTRATION:

We will support you and our collective pursuit of excellence through ongoing professional learning that is high quality, relevant, meaningful, and allows us to evolve and expand our practices.

TO THE COMMUNITY:

We will reflect upon our work, always strive for improvement, and ask the community to engage in meaningful discussions about our programs and all that we do as a school system.

COMMITTED TO RYE **SCHOOLS**
