FOR IMMEDIATE RELEASE

Call for RCSD Facilities Committee Members

SEPTEMBER 29, 2022 - The Rye City School District Board of Education is currently seeking up to three community members to serve on the Facilities Committee for the 2022-23 school year. The District's working committees offer thoughtful and critical recommendations for the effective and efficient operation of the schools. They focus on specific, annual charges and report progress at Board of Education meetings periodically throughout the year.

The Facilities Committee meets to discuss building and physical plant conditions throughout the District, identifying health and safety issues and physical design that enhances student learning as top priorities. The committee is comprised of administrators, the Director of Facilities, community members, and members of the Board of Education. The committee typically meets three times a year. There are no scheduled meetings; meetings will be convened on an as-needed basis.

The Facilities Committee Charge for 2022-23 is as follows:

- Review conditions at each building
- Identify and review work to be done outside of the existing capital plan
- Identify a liaison to the District-Wide Health and Safety Committee as needed

Interested volunteers should complete the application linked [here](#) and available on homepage of the District website (www.ryeschools.org) and return it to Sarah Derman at 555 Theodore Fremd Avenue, Suite B-101, Rye, NY 10580, or via email to derman.sarah@ryeschools.org. The deadline for applications is October 31, 2022.
