How to Share a Non-Fiction book with your child
1. Discover what your child knows about the subject before you even open the book.
2. Do not feel that you have to read the book from cover to cover.
3. If you wish, just look at the pictures with your child and discuss.
4. You may read only the captions under the pictures.
5. You may read only the parts of the book that interest your child.
6. Have fun!

Summer Reading Suggestions
For Entering Kindergarten

Hello parents of future kindergartners! We want your child to feel comfortable and understand that reading is a joy to be learned over time. Please remember these are suggestions to assist your children, as children are not expected to be able to read upon entering kindergarten. Good, old fashioned nursery rhymes and fairy tales are always wonderful family reading. Books that have rhythm and rhyme, like stories by Dr. Seuss, are also invaluable tools to prepare children for kindergarten. Exposing children to the wonders of the public library can be the start of a lifelong adventure. Enjoy this time sharing these books with your children as they prepare for this exciting step in their lives!
