WHAT DOES THAT PROGRAM DO AGAIN?
A Guide to the RCSD Parent Programs and Apps

The RCSD Website and App

HOW DO IT GET TO IT?

The School District’s website is www.ryeschools.org. It was re-designed in 2017.

If there’s something you can’t find on the site, try the Google Search feature – click on the red magnifying glass logo in the upper right of every screen. If you’re still stuck, contact the office of your student’s school, or Public Information Officer Sarah Derman at derman.sarah@ryeschools.org or 914-967-6100, ext. 6273.

THERE’S AN APP FOR THAT

There’s an app to go with the RCSD website. Go to the Apple App Store/Google Play and search for “Rye City School District.” The app will prompt you to enter the school(s) you are interested in receiving information about.

PowerSchool

WHAT IS IT?

PowerSchool is the School District’s electronic student management system where student information is collected and stored. The portal is the “doorway” into the system giving parents access to information about their students.

PowerSchool Parent Portal

WHAT IS IT?

Currently in use by RHS and RMS parents for schedules and grades and by elementary school parents for report cards only.

The Parent Portal is the way parents/guardians access student grades, assignments, schedule (for RMS and RHS students) and attendance information. You will receive a letter over the summer for each of your students with that student’s ID and login information.

HOW DO I GET TO IT?

The PowerSchool Parent Portal gives parents and students access to online, real-time information that may include attendance, grades and comments for grades 6-12. Students can stay on top of assignments, parents are able to participate in their children’s progress, and teachers can share information with
parents and students. For elementary students, report cards only are available via the portal.

To access the Parent Portal, go to www.ryeschools.org and click the figure of the red adult and child at the top that says “Parent Portal.” This will take you to a log-in screen. Alternatively, you may click on the word “Families” in the red bar at the center of the page on the website to be taken to a page of website resources. Click on the words “PowerSchool Parent & Student Portal Login.”

Please note that the Parent Portal is occasionally down for routine maintenance, or to allow teachers to enter grades into the system.

For more detailed instructions on how to use the Parent Portal, please visit the Helpful Guides section on the Technology Department webpage or on the Families page.

THERE’S AN APP FOR THAT

In the Apple App Store/Google Play, search for “PowerSchool Mobile.” Enter District Code MJLL, or search by “Rye City School District.” You will be prompted to enter your username and password. The PowerSchool Mobile App syncs with the parent and student portals. No matter whether you use the App or the portal, you will see the same information.

Blackboard

WHAT IS IT?

Rye City School District uses Blackboard Mass Notifications as its large scale notification system for emails, text messages, and automated phone calls to parents/guardians. Blackboard Mass Notifications uses the contact information parents/guardians provide during the registration process (see “InfoSnap” below). There is no need for parents/guardians to log on to Blackboard unless you would like to change how you want to be notified – by email, text, or at home or on your mobile phone.

In order to make sure you receive emergency notifications, including weather-related school closings, always notify your child’s school if a contact phone number or email changes.

If you have lost your login information, or are for some reason not receiving communications from the District, please contact the Technology Department at sassone.kaitlyn@ryeschools.org or 914-967-6100, ext. 6211. Likewise, if you are having trouble changing your contact information, contact Ms. Sassone.

InfoSnap

WHAT IS IT?

InfoSnap is the District’s online registration system. It replaces the physical packet of papers that used to come home at the beginning of the school year. It is also how parents/guardians sign permission forms that legally must be renewed annually – for Technology Acceptable Use Policy, Google Apps for Education, Media Release, and field trips.

Only parents/guardians of returning students need to login to InfoSnap annually.

You will receive a letter and/or e-mail with the “snapcode” link for each of your individual student over the summer. You can request copies of the letter by contacting the office of the school your student attends.
HOW DO I GET IT?

For **returning students**, go to www.ryeschools.org, click on the words “About Us” in the red bar on the center of the page, then scroll down to “General Information,” then click on the words “Admission to School” in the gray box. Click on the second bullet – the one that says “Returning Student Registration for 2018-2019.” You will be prompted to enter your snapcode.

For **students new to the RCSD**, click on the book logo at the top of the home page that says “New Students.” Go to the “Create an Account” section on the left side of the login screen. For HELP!

For trouble with registration, or if you are new to the School District, please contact Janet Gray 914-967-6100, ext. 6282, or mailto:gray.janet@ryeschools.org. For all technical support with the registration process, contact InfoSnap at 866-434-6276.

**MySchoolBucks**

WHAT IS IT?

MySchoolBucks is an online lunch payment system that the District uses to process lunch payments. The District switched from a similar system (PayPAMS) in August 2018. Like PayPAMS, MySchoolBucks allows you to make online, electronic deposits to your student’s lunch account. You can monitor your student’s purchases and account balance at all times. MySchoolBucks can also notify you via email or text if your student’s balance is running low, or you can set a balance point at which the account is automatically refilled.
HOW DO I GET TO IT?

Go to [www.ryeschools.org](http://www.ryeschools.org) and click on the red logo of the crossed fork and spoon labeled “School Lunch” at the top of each page. If you are unsure of your student’s ID number, contact the front office of your student’s school. The balance of your student’s PayPAMS account has been transferred, and their PIN numbers are the same as in years past. If you need help obtaining your child’s PIN, please contact the school cafeteria or the District’s food service department. For contact information, please see the HELP! section immediately below.

**SchoolBee**

**WHAT IS IT?**

SchoolBee is a secure, online school directory only accessible to our District's parents /guardians and school personnel via an assigned user id and password. Access is granted by invitation only from each of the school's PTO/POs. Neither SchoolBee nor our PTO/POs receive parent contact information from the RCSD – instead they rely on parents to update their own profiles. Each summer, the PTO/POs send notifications asking parents to reconfirm their SchoolBee profiles as part of the PTO/PO membership process (and for RHS, the PO SchoolBee access process). They then use this information to print
directories for parents and school personnel. PTO/POs also add new parents and students throughout the year at their request. Please note that SchoolBee is a PO/PTO program, and the school district does not have control over the program's operation or maintenance. Please contact your school's PO/PTO representatives with questions or concerns.

HOW DO I GET IT?

There are PTO/PO SchoolBee administrators for each school who confirm and invite your participation in SchoolBee. While their names may change, the emails remain the same:

RHS: Teresa Panagos and Nicky Regan, rye-rhs@schoolbee.com
RMS: Theresa DeLorenzo and Aimee Ryan, rye-rms@schoolbee.com
Midland: Cara Puzzuoli, rye-midland@schoolbee.com
Milton: Deborah Golub, rye-milton@schoolbee.com
Osborn: Kim Abbott and Leslie Ebers, rye-osborn@schoolbee.com
