

RYE CITY SCHOOL DISTRICT
NEW CURRICULUM PROPOSAL

Rye City School District departments, teams and individual teachers are provided with opportunities to submit proposals for new curriculum to the Curriculum Council. Projects must be related to the New York State standards, the Rye City School District Strategic Plan, and departmental, building, and district-wide initiatives.

To submit a proposal, complete a New Curriculum Proposal. Proposals must be reviewed with a department chair/coordinator, building principal, assistant principal and/or the Assistant Superintendent for Curriculum, Instruction and Assessment. Proposals will then be brought to the Curriculum Council for discussion and review.

Proposals should be consistent with the curriculum and instructional priorities of the District. When completing the section "Impact on Current Course Offerings" (#8) please address whether this course will be an addition to current offerings, in lieu of another course, or placed in a rotation. For guidance on completing #9, please contact the Director of Technology.

Approved proposals will then be scheduled for development according to District guidelines. Completed curricula will be brought back to the Curriculum Council for final recommendation, then will seek Board of Education approval prior to implementation.

ASSIGNED PROJECT # (OFFICE USE ONLY):

**THE RYE CITY SCHOOL DISTRICT
CURRICULUM PROPOSAL FORM**
(SHADED BOXES FOR OFFICE USE ONLY)

1. COURSE TITLE:	
2. SUBMITTED BY
