Dr. Brian D. Monahan, Interim Superintendent of Schools  
Rye City School District  
411 Theodore Fremd Avenue, Suite 100S  
Rye, NY 10580-3845

Dear Dr. Monahan:

Your application for temporary employment of Sheryl Goffman under Section 211 of Retirement and Social Security Law and §80-5.5 of Commissioner's Regulations has been approved for service as the Interim Assistant Superintendent for Curriculum, Instruction and Assessment for the Rye City School District from **July 1, 2017** through **June 30th, 2018**. The retirement system to which this person belongs has been notified of this fact.

You have attested, in the electronic application, to the district's obligation to notify all resident taxpayers that she has been approved for employment pursuant to the above, stating what her compensation package is, and that she has the right to receive a pension while so employed. That should be done at this time. Please send this Office a copy of that notification, if in hard copy form, or send a link to the announcement, if on your website. This information should preferably be sent by email to the below address; if that is not possible, it may be sent by fax to (518)473-0271, or by post office, attention "Retiree." Please respond within the next month.

Please note Commissioner's Regulations allow for an initial waiver and one renewal for the same position within the same School District. Our records indicate that Sheryl Goffman was approved for an initial waiver for the 2016- 2017 School Year and this waiver for the 2017- 2018 School Year which constitutes a renewal. Upon expiration of this renewal, the district or board is not allowed under Commissioner's Regulations to apply for additional approval in the same position within the same district unless there is an extreme circumstance where a district, BOCES or county vocational education and extension board is prohibited by law or otherwise from hiring a permanent replacement for a position.

However, our records indicate that Sheryl Goffman will be turning 65 in 2018. As a result, approval from this office will no longer be necessary after January 1, 2018. Under present law, approval is necessary only for those who will both be under the age of 65 throughout the calendar year of employment and earn more than the stated maximum allowable amount for the year.

Correspondence may be sent to [211requests@nysed.gov](mailto:211requests@nysed.gov). More information can be found on our website at <http://www.highered.nysed.gov/tcert/resteachers/retiree.html>.

Retirees should be advised to consult their retirement system for information regarding working in retirement, before accepting employment.
