

**Rye City School District Media Release Form
2021-2022**

The Rye City School District ("The District") takes great pride in our students' work and their achievements. Throughout the school year, students attend programs, activities, and field trips, and participate in classroom routines that support their education. Periodically during the school year, the District may capture these activities and learning experiences by taking video footage/image. The images and videos may be featured in several types of media/publications, including, but not limited to, the District's website, newsletter(s), television, social media, or other forms of communication. This release also includes student photographs appearing in class or school yearbooks. Please indicate in the drop-down menu in PowerSchool Enrollment (formerly InfoSnap) whether you are granting or denying permission for the District to utilize any video footage/images in the noted publications.

Yes, I give permission for my student's image/video to appear in the above-mentioned publications/media.

No, I do not give permission for my student's image to appear in the above-mentioned publications/media.
