FOR IMMEDIATE RELEASE

Call for Facilities Committee Members

The Rye City School District Board of Education is currently seeking community members to serve on the Facilities Committee for the 2020-21 school year. The School District's working committees offer thoughtful and critical recommendations for the effective and efficient operation of the schools. They focus on specific, annual charges and report progress at Board of Education meetings periodically throughout the year.

The Facilities Committee meets to discuss building and physical plant conditions throughout the District, identifying health and safety issues and physical design that enhances student learning as top priorities. The committee is comprised of administrators, the Director of Facilities, community members, and members of the Board of Education. The committee typically meets three times a year. Meetings will be virtual via Google Meet for the 2020-21 school year. There are no scheduled meetings; meetings will be convened on an as-needed basis

The Facilities Committee Charge for 2020-21 is as follows:

- Review and update the State-required Five Year Facilities Plan
- Identify a liaison to the District-Wide Health and Safety Committee as needed
- Capital Projects Plan Update

Interested volunteers should complete the application available on the Board of Education RCSD Committees page of the District website (www.ryeschools.org) or by clicking **here** and return it to Sarah Derman at 555 Theodore Fremd Avenue, Suite B-101, Rye, NY 10580, or via email to derman.sarah@ryeschools.org. The deadline for applications is October 30, 2020.
